

Art review: swirling sculpture

Talented sculptor Richard Stone has created sinuous sculpture that complements the bright abstract paintings on the wall. It's rare talent to find an artist who is equally adept at sculpting and painting, but it's the beautiful marble sculptures that are our favourites. [Richard Stone: Everywhen at Kristin Hjellegjerde](#), 533 Old York Road, SW18 1TG. Until 8 October, free. ★★☆☆☆ (Tuesday-Saturday)
